Annual Gender Sensitization Action Plan - 2023-24

Gender sensitization, women empowerment, and imparting an environment of gender equality are the key priorities of our institution.

Objectives: Our aim is to create an inclusive, tolerant, and harmonious community based on mutual respect and trust among students, staff, and between students and staff.

The action plan for the academic year includes the following initiatives:

- Organizing seminars and workshops to promote awareness about gender equality.
- Conducting orientation sessions during the induction to emphasize equal treatment and opportunities for all.
- Celebrating Women's Day to highlight the value and importance of women.
- Providing equal opportunities for leadership roles, including team leader positions for female students, to boost their self-confidence.
- Addressing emotional and psychological issues such as failures, depression, and frustration through the counseling center.
- Offering guidance and support on financial matters to empower students.
- Organizing health check-up camps to enhance health awareness among students.
- Ensuring equal representation for girls in NCC, NSS, and YRC units.
- Arranging talks and workshops on entrepreneurship development and career advancement.
- Conducting street plays to raise awareness about women's harassment, cyber safety, and cybercrimes.
- Upholding a policy of equal representation in all activities and decision-making processes within the college.
